# Salgs- og lev.betingelser

## § 1. LEVERINGSBETINGELSERNES ANVENDELSE

Nedenstående leveringsbetingelser er gældende for alle mellem sælgeren og køberen indgåede aftaler og anses for vedtaget med sælgerens fremsendelse af ordrebekræftelse til køberen.

## § 2. LEVERINGSAFTALE

Bindende aftale mellem sælgeren og køberen foreligger først, når køberen har modtaget ordrebekræftelse, eller såfremt sælgerens levering i henhold til aftalen finder sted. Vil køberen påberåbe sig uoverensstemmelse mellem ordre og ordrebekræftelsen, må denne fremsætte sine indsigelser skriftligt og straks. Sælgeren er ikke forpligtet til at foretage leverancer af dele og/eller ydelser ud over det i ordrebekræftelsen fastsatte, med mindre der indgås særskilt aftale herom mellem parterne.

## § 3. LEVERINGSTIDEN

Leveringstiden er ansat efter sælgers bedste skøn, men er uden forbindelse. Forsinkelser fra sælgers side berettiger ikke køber til annullering af ordren eller til erstatning, medmindre leveringen forsinkes i mere end 3 uger efter den i ordrebekræftelsen angivne leveringstid, idet levering foretaget indenfor denne frist i enhver henseende betragtes som rettidig levering.

Leveringen kan stilles i bero, så længe køber misligholder nogen forpligtelse overfor sælger, uanset om misligholdelsen vedrører den pågældende eller tidligere leveringer. Såfremt der, uanset af hvilken grund, skulle være tvivl med hensyn til købers betalingssevne til betalingstiden, er sælger berettiget til at nægte levering, indtil køberen har stillet en af sælger fastsat passende sikkerhed for betaling.

Såfremt levering forsinkes på grund af købers forhold, er køber forpligtet til at betale til aftalt betalingstid, ligesom køber forpligter sig til at afholde sælgers opbevaringsudgifter efter sælgers opgørelse og til de af sælger fastsatte priser for opbevaring.

Sælger er berettiget til at foretage delleverancer, med mindre andet udtrykkeligt er aftalt. Levering i henhold til aftalen sker AB FABRIK (EX WORKS), således at køber bærer risikoen for hændelige begivenheder efter leveringstidspunktet, med mindre andet er aftalt. Køber drager selv omsorg for forsikring af varen efter levering, med mindre andet er aftalt. Såfremt sælger påtager sig levering på anden måde end ovenfor anført, skal den tilbudte pris forhøjes med sælgers fragtomkostninger samt eventuelle udgifter til forsikringer leveringen vedrørende.

Sælger påtager sig intet ansvar for ikke opfyldelse af sælgers forpligtelser i henhold til afgivne tilbud eller accepterede ordrer som følge af force majeure, så som krig, optøjer, borgerlige uroligheder, regeringsindgreb eller indgreb af lokale myndigheder, ildsvåde, strejke, lockout, nedlagt eksport- importforbud eller nogen årsag iøvrigt, der ligger udenfor sælgers kontrol, og som er egnet til at forsinke eller hindre fremstillingen og leveringen af varen. Såfremt mangelfri eller rettidig levering ændres midlertidigt ved en eller flere af ovennævnte omstændigheder, udskydes leveringstiden i et tidsrum svarende til hindringens varighed, og til den således udskudte leveringstid anses i enhver henseende for rettidig. Såfremt leveringshindringen kan påregnes at vedvare længere end 2 måneder, skal køber dog være berettiget til at annullere afgivne ordrer og indgåede aftaler, uden at dette skal anses for misligholdelse.

Det påhviler sælger, såfremt sælger måtte anse at påberåbe sig nogen af de ovennævnte leveringshindringer, ufortøvet at underrette køber om hindringens opståen og det antagelige tidspunkt for hindringens ophør.

## § 4. ANSVAR FOR MANGLER

Såfremt der konstateres mangler ved det leverede i henseende til konstruktion, fremstilling eller materialer forpligter sælgeren sig og er sælgeren berettiget til at afhjælpe disse, såfremt manglerne kan lægges sælger til last.

Køber skal dog, straks denne konstaterer manglen, skriftligt reklamere herover samt stille leverancen til sælgers disposition med henblik på udbedring af den konstaterede mangel. Er manglen af en sådan karakter, at reparationen ikke kan udføres på monteringsstedet, skal køberen returnere de mangelfulde dele til sælger med henblik på reparation/udskiftning af delene.

Transport af mangelfulde dele mellem sælger og køber sker for købers regning og risiko. Mangelfulde dele, som udskiftes, forbliver sælgers ejendom.

Såfremt sælger ikke efterkommer købers anmodning om udbedring indenfor rimelig tid, mister sælger retten til at foretage afhjælpning af manglen.

Køberen er herefter berettiget til at lade manglen afhjælpe og/eller kræve erstatning hos sælgeren samt eventuelt hæve aftalen i overensstemmelse med Købelovens regler herom. Sælgerens ansvar omfatter ikke mangler, som viser sig ved materiale, der er leveret af køberen, eller mangler ved en af køberen forlangt konstruktion.

Sælgers ansvar omfatter kun mangler, som opstår under de i aftalen forudsatte funktionsvilkår og ved rigtig anvendelse af produktet. Ansvar omfatter ikke fejl og mangler, der skyldes mangelfuld vedligeholdelse eller urigtig montering fra købers side eller konstruktionsændringer foretaget af køber uden sælgers samtykke eller fejl ved en af køberen udført reparation eller lignende.

Efter at risikoen for leverancen er gået over på køberen, har sælger intet ansvar for mangler udover det i nærværende punkt foreskrevne.

Dette gælder ethvert tab, manglerne måtte forårsage, som f.eks. driftstab, tabt arbejdsfortjeneste, tabte avancer eller enhver anden form for indirekte tab, som tænkes kan. Sælgers ansvar gælder kun for mangler, som viser sig indenfor et år fra den dag, leverancen anmeldes at være klar til levering.

Anvendes leverancen mere intensivt end aftalt eller forudsat ved aftalens indgåelse, forkortes mangelsperioden tilsvarende.

#### § 5. BETALING

Faktura betales kontant ved leveringen, med mindre andet skriftligt er aftalt. Det leverede forbliver sælgers ejendom, indtil købesummen og enhver anden ydelse, herunder renter og eventuelle omkostninger, er fuldt erlagt.

Det følger heraf, at sælger er berettiget til i misligholdelsestilfælde at tage det solgte tilbage i henhold til Lov om køb på kredit og/eller kræve erstatning for det lidte tab.

Vi leverer altid varerne, hvor vi forbeholder os ejendomsretten, også i tilfælde hvor dette ikke er klart tilkendegjort. De er meget velkommen til at rette henvendelse til os for yderligere information om disse betingelser.

Erlægger køberen ikke betalingen i rette tid, er sælgeren berettiget til fra forfaldsdagen at beregne sig morarente svarende til den til enhver tid af sælger fastsatte morarente, p.t. 2% pr. måned.

Betaling kan ske med dankort.

#### § 6. BESKRIVELSE OG TEGNINGER M.V.

De i sælgers salgsmateriale anførte illustrationer, angivelse af kapaciteter, mål, dimensioner, priser og tekniske data er omtrentlige og kun bindende, såfremt aftalen udtrykkeligt henviser til dem. Sælger forbeholder sig ret til ændringer i udførelse m.v. uden forudgående varsel.

#### § 7. RETURNERING

Leverede varer tages ikke retur, medmindre særskilt aftale herom er truffet skriftlig.

Vi gør opmærksom på, at der er 14 dages retur/fortrydelsesret.

#### § 8. TVISTIGHEDER

Twistigheder af enhver art afgøres ved sælgers hjemting, der er retten i Viborg, Danmark, eller, i tilfælde af, at tvisten er undergivet landsretsbehandling, Vestre Landsret. Køber er således også forpligtet til at lade sig sagsøge ved sælgers hjemting. Twistigheder af enhver art skal afgøres på grundlag af dansk ret.

#### § 9. PRODUKTÆNDRINGER

Sælger forbeholder sig ret til stedse at foretage løbende produkt- og konstruktionsændringer i forhold til udleveret tegningsmateriale m.v., såfremt det solgte produkt opfylder de aftalte normer m.v., således at forekommende ændringer ikke medfører nogen forandret funktionsdygtighed eller anden ulempe for køber.

#### § 10. KØBERS YDELSER

Når andet ikke skriftligt er aftalt omfatter leverancen udelukkende det af sælgers virksomhed udviklede produkt. Sælger har således intet at gøre med produktets montering, såfremt der ikke er truffet nærmere aftale herom.

Der tages forbehold for prisfejl samt udsolgte varer.
